Chestnut Hill, Philadelphia, Pa.

To Secure and Maintain Beautiful Lawns  
and Productive Pastures, use

## **ANDORRA BRAND Canada Unleached Hard-wood Ashes**

---

They are nature's complete fertilizer  
They are healthy for man and beast  
They make new soil out of worn-out lands  
They do not make the lawn unsightly  
They produce no unhealthy or offensive odors  
They are easier to handle than other fertilizers  
They keep borers away from trees

**APPLY AT THE RATE OF 1,000 TO 1,500 POUNDS PER ACRE**

Realizing the importance of a clean, complete manure that can be applied to the lawn and garden, and having all the advantages without the offensiveness and inconvenience attending the application of stable manure, we have made arrangements with responsible dealers in Canada for a limited supply of their **best grades of screened, Unleached Hard-wood Ashes**, and are now in a position to supply them to our customers either in small quantities or by the car-load of 15 to 20 tons.

For convenience in handling and to prevent waste, we have arranged to have all our Ashes put up in compact packages.

**Price, delivered by wagon, per barrel of 200 lbs., \$2.50; per ton, \$20.  
Price, F. O. B. cars Chestnut Hill, per 200 lbs., \$2.00; per ton, \$18.**

# Andorra Nurseries

CHESTNUT HILL, PHILADELPHIA, PA.

**OUR NURSERIES** are extensive, covering five hundred acres, of which over three hundred are planted with trees and shrubs. They are easy of access, as Chestnut Hill is the terminus of branches of the Pennsylvania and the Philadelphia and Reading railroads, and the Chestnut Hill (City Line) trolley runs from the stations to within three minutes' walk of the Nurseries.

**QUALITY.**—The trees and shrubs offered are grown in open, unsheltered ground, in a very exposed situation, which insures their hardiness, and on soil admirably adapted for forming robust plants having an abundance of roots. **Special attention** is called to the fact that our stock is grown a good distance apart in the rows, insuring heavier trees and shrubs than are generally offered.

**QUANTITY.**—Lots of 5 and 25 will be furnished at the 10 and 100 rates respectively.

**STOCK SELECTED** by customers at the Nurseries will be charged for at advanced rates, according to the value of the trees chosen.

**SHIPPING SEASON** opens about March 1 in the spring and August 15 in the fall.

**INSECT AND FUNGOUS PESTS.** A certificate of inspection will be sent with each shipment. Stock will be **fumigated** when requested, unless your state law requires it, in which case all stock will be treated before shipment.

**PACKING.**—The utmost care will be used and charges made at actual cost.

**ORDERS.**—Write plainly and give explicit directions as to address and mode of shipment; otherwise we will forward according to our best judgment. Orders will be filled for any amount. Small orders receive careful attention.

**RISK.**—All goods are at purchaser's risk after they are delivered to the forwarding companies and we receive their receipt for the shipment in good condition.

**CLAIMS,** to receive consideration, must be made within five days after receipt of goods. Claims for damage in transit must be made to the company delivering the goods, and should be presented promptly.

**TERMS, CASH WITH ORDER,** except to such persons as satisfy us as to their responsibility.
